

# How This Report is Organized

This report is divided into three sections.

- 🚲 Section I: Provides comparisons of performance results between the State of Arkansas and the Pulaski County Special School District.
- 🚲 Section II: Provides comparisons of results between the District's schools.
- 🚲 Section III: Provides comparisons within the District's individual schools.
- 🚲 NOTE: The order of these test findings include General Population results, Combined Population results, followed by ethnic disaggregation, and then selected ethnic/gender disaggregation results.

# General vs. Combined Population

- 🚲 The “Combined Population” includes all students who took the test during the testing administration.
- 🚲 The “General Population” includes most of the students who took the test, but excluded from the results are students with Limited English Proficiency, Highly Mobile Students, or students with an Individualized Education Plan.

# The Purpose of this Report

- 🚲 This report may be used as a tool by administrators to identify school populations in the District that are in need of assistance.
- 🚲 Principals may use this report to identify school deficiencies or student subgroups where meaningful interventions may be designed to address disparities or performance below expectations.
- 🚲 Teachers may use this report to become aware of 1) rising students for their grade levels and 2) the general results of students that have passed through their classrooms.
- 🚲 This report may be used to develop or revise a school's *Action Plan* in order to monitor and develop strategies to improve student learning and achievement.

# SECTION I of III

---

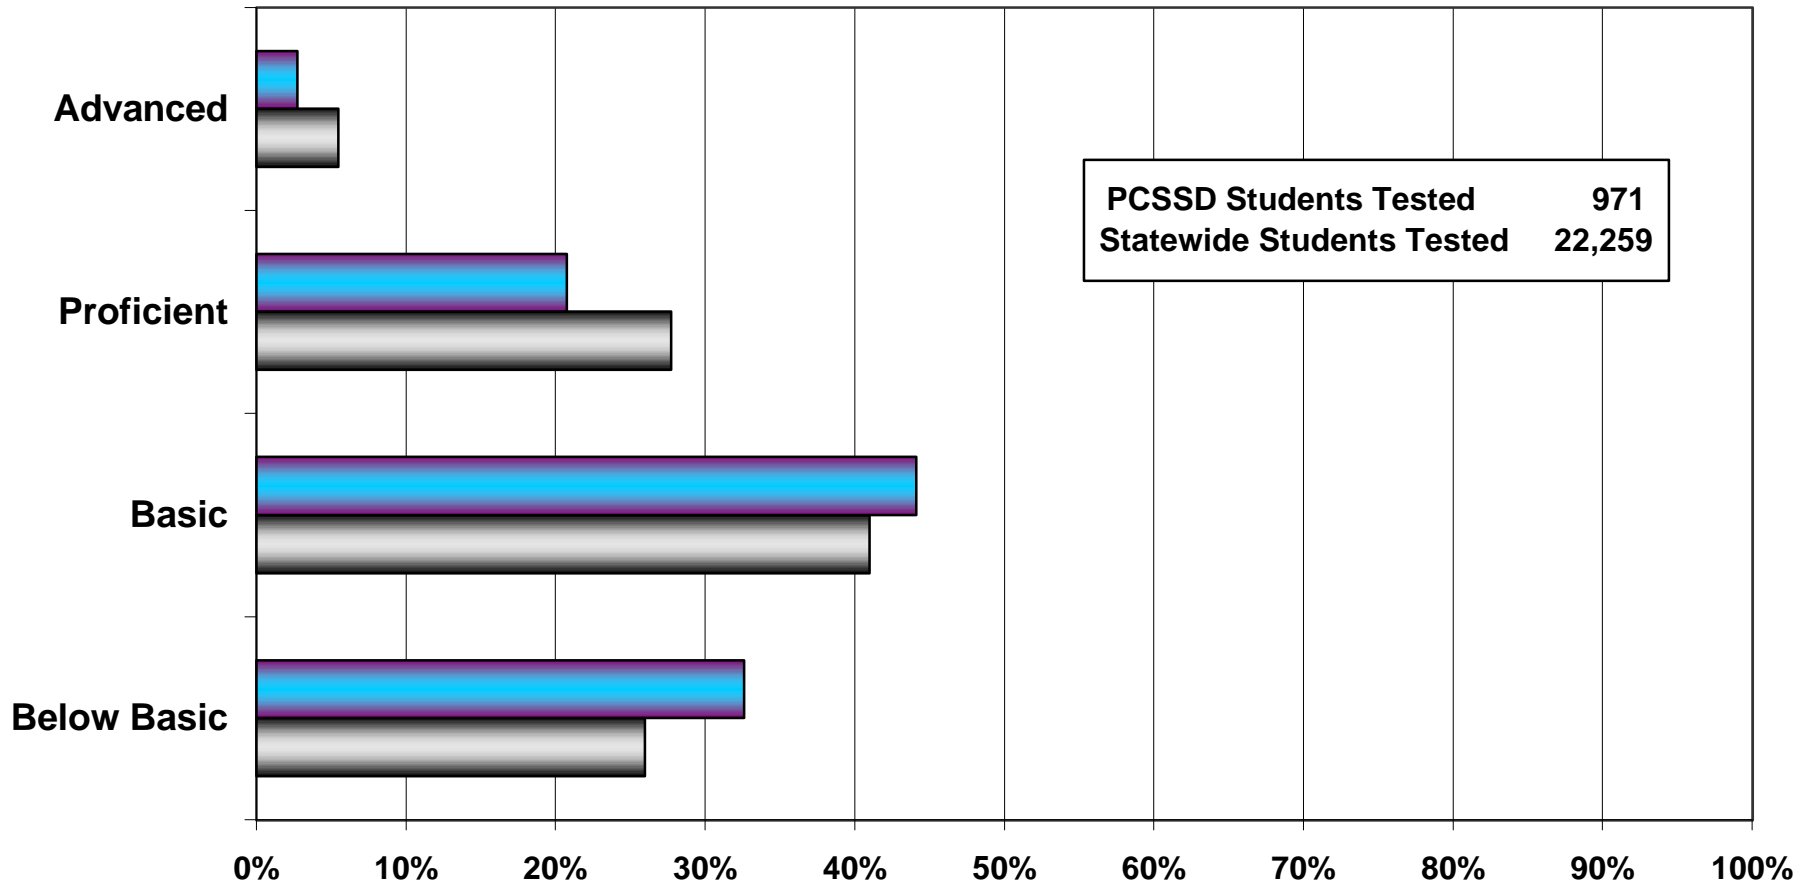

This report is divided into three sections.

 Section I: Provides comparisons of performance results between the State of Arkansas and the Pulaski County Special School District.
