GENERAL REPEALER AND ADOPTION POLICY

The policies hereinafter contained repeal and replace each and every separate personnel policy in force for classified employees in the Pulaski County Special School District (PCSSD), effective July 1, 2012. After July 1, 2012, the written policies contained herein are the sole and only personnel policies for classified employees of PCSSD. Modifications of these policies shall be made from time to time as determined necessary by the Board of Education in consultation with the Classified Personnel Policies Committee consistent with and as required by law. All such modifications shall be in writing and included in the master copy of this document maintained in the District Central Office.

PERSONNEL POLICIES GOALS

The Board recognizes that a dynamic and efficient staff is necessary for maintenance of a quality school system.

The Board's specific personnel goals are:

1. To recruit, select and employ the best qualified personnel to staff the school system
2. To provide a staff development program for all employees to improve their performance and the overall rate of retention and promotion of staff
3. To provide staff compensation and benefits programs sufficient to attract and retain qualified employees
4. To conduct an employee appraisal program that will contribute to the continuous improvement of staff performance
5. To provide for a genuine team approach to education, including staff involvement in planning, decision making and evaluation
6. To develop a climate in which high level staff performance, morale and satisfaction are encouraged

PERSONNEL POLICIES COMMITTEE

The District shall have a Personnel Policies Committee (PPC) which will review school District personnel policies, guidelines, regulations and procedures that pertain to the terms and conditions of classified personnel employment. This includes, but is not limited to, benefits, compensation, workday designations, holidays and non-instructional days, the annual calendar, methods of evaluations, extra duties, leave, grievance, dismissal or non-renewal and reduction in force.

A committee on personnel policies for classified employees will be formed consisting of one (1) non-management classified representative from each of the following classifications:

- * Maintenance, Operation and Custodians;
- * Transportation
- * Child Nutrition
- * Clerical staff
- * Paraprofessionals, Intercessors
- * Nurses, Speech Pathologist, Physical Therapist, Occupational Therapist, School Psychologist and other classified staff not included in the above.

The classified members shall be elected by a majority of all non-management classified employees by classification voting by secret ballot. The election shall be solely and exclusively conducted by the classified employees, including the distribution of ballots.

The committee will also consist of three (3) classified employee administrators, one (1) of which may not be the Superintendent. The administrators on the committee shall be appointed by the Superintendent.

The PPC will organize itself no later than mid - October of each school year. The Committee will receive no monetary compensation. A schedule of meeting dates will be developed. A chairperson will be elected by the committee and will be responsible for presenting policies to the Board at regularly scheduled board meetings. A secretary will also be elected by the committee and will be responsible for taking minutes and posting them on the website and at each building. The Board will receive copies of the minutes from each meeting.

The Superintendent may recommend any changes in personnel policies to the board of directors or the personnel policies committee.

The Board may adopt, reject, or refer to the committee on personnel policies for further study and revision, any proposed policies or amendments to existing policies that are submitted to the Board.

EQUAL EMPLOYMENT

PCSSD shall operate the school district consistent with all federal and state laws prohibiting discrimination. There is a detailed policy prohibiting a particular form of gender discrimination, sexual harassment. This policy is found beginning on page six (6) of these policies. This policy contains a procedure to be followed by an employee desiring to complain about this form of discrimination. The part of the policy dealing with making a complaint is found on page seventy-eight (78) of these policies. All employees should note that the complaint procedure set forth in the sexual harassment policy is the same complaint procedure you should follow to complain about any other form of discrimination.

POLICY PROHIBITING SEXUAL HARASSMENT

Policy Overview

1. It is the goal of PCSSD to treat all employees equally and to promote a workplace that is free of sexual harassment. Sexual harassment of employees occurring in the workplace or in other settings in which employees may find themselves in connection with their employment is unlawful and **will not** be tolerated by PCSSD. Further, any retaliation against an individual who has complained about sexual harassment or retaliation against individuals for cooperating with an investigation of a sexual harassment complaint is similarly unlawful and **will not** be tolerated. To achieve our goal of providing a workplace free from sexual harassment, inappropriate conduct described in this policy **will not** be tolerated. This policy applies to all employees, supervisors, and agents. It also applies to those who are not employees but who have contact with employees during working hours.
2. Because PCSSD takes allegations of sexual harassment seriously, it will respond promptly to complaints of sexual harassment and, where it is determined that inappropriate conduct has occurred, the district will act promptly to eliminate the conduct and take appropriate corrective action as necessary, up to and including termination. It is every employee's responsibility to ensure his or her conduct does not violate this policy and does not imply harassment or retaliation in any form.

Definitions and Guidelines

1. Sexual harassment includes any unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature where tolerance of such actions is made a condition of employment that interferes with an individual's work performance or creates an intimidating, hostile, or offensive work environment.
2. It is illegal and against PCSSD's policy for any employee, male or female, to harass another employee or to create a hostile working environment by either committing or encouraging the following:
 - a. Physical assaults on another employee, including but not limited to, rape, sexual battery, molestation, or attempts to commit these assaults
 - b. Intentional physical conduct that is sexual in nature, including but not limited to, touching, pinching, patting, brushing up against another employee's body, or blocking normal movement

- c. Interference with an employee's work because of his or her gender
 - d. Unwanted sexual advances, propositions, or sexual comments, including making sexual gestures, jokes, innuendoes, slurs, epithets, invitations, or comments made in the presence of any employee who has indicated that such conduct in his or her presence is unwelcome
 - e. Posting or displaying drawings, pictures, posters, calendars, graffiti, gestures, objects, or other materials that are sexual in nature or pornographic
 - f. Discriminating against any employee in work assignments or job related training solely because of his or her gender
3. It is illegal and against PCSSD's policy for any employee to make direct or implied requests of another for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits or continued employment or to avoid consequences such as demotion, termination, unfavorable reviews or unfavorable work assignments.
 4. The creation of an intimidating, hostile, or offensive working environment may include such actions as persistent sexual comments or the display of obscene or sexually oriented photographs or drawings. However, conduct or actions that arise of a personal or social relationship and that are not intended to have a discriminatory employment effect may not be viewed as harassment. PCSSD will determine whether such conduct constitutes sexual harassment based on a review on the facts and circumstances of each situation.
 5. PCSSD will not condone any sexual harassment of its employees. All employees, including supervisors and managers, will be subject to severe discipline, up to and including discharge, for any act of sexual harassment they commit.
 6. All employees will be protected from coercion, intimidation, retaliation, interference, or discrimination as a result of filing a complaint or assisting in an investigation.

Complaints of Sexual Harassment

1. Any employee who perceives the comments, gestures, or actions of anyone including a supervisor, co-worker, customer, vendor, or visitor to be unlawful discrimination should immediately communicate to that person that such behavior is unwelcome. Failure to do so,

however, **does not** prevent the employee from filing a complaint or in any way exonerate the harasser.

2. Any employee who has been harassed should immediately report the incident to his or her building principal or immediate supervisor. If the harassment involves the principal or supervisor, or if the employee does not feel it is appropriate to report it to the principal or supervisor, then the harassment should be reported to the superintendent. If the harassment involves the superintendent, or if the employee does not feel it is appropriate to report it to the superintendent, then the harassment should be reported to the president of the Board of Education. Whenever possible, the report of harassment should be in writing.
3. A principal or supervisor who receives a complaint or has knowledge of harassment shall promptly inform the superintendent, and a determination will then be made as to the nature and extent of any further investigation that may be warranted.

Sexual Harassment Investigation

1. Every reported incident of sexual harassment will be promptly investigated. Private interviews will be conducted with the person filing the complaint, any witnesses, and the person alleged to have committed sexual harassment.
2. PCSSD will act promptly to eliminate the offending conduct, and where appropriate, will impose disciplinary action.

Disciplinary Action

Upon conclusion of the investigation, PCSSD shall take all action it deems appropriate under the circumstances concerning the parties involved. Such actions may include, but are not limited to the following:

- * Termination
- * Suspension of employment without pay
- * Written or oral warning
- * Counseling
- * Transfer

A non-employee who subjects a PCSSD employee to sexual harassment will be immediately informed of PCSSD's sexual harassment policy by a member of the administration. Other action may be taken as appropriate and required by the specific circumstances.

Communication

In order to effectively communicate this policy to all PCSSD employees and ensure that all personnel decisions are in accordance with it, this policy will be distributed to all employees on an annual basis, in addition to the time of hire. It will also be available to employees upon request.

Other Forms of Discrimination or Harassment

While this policy refers to sexual harassment, it is the intent of PCSSD to provide a work environment for all employees which is free of harassment and discrimination whether based on sex, race, color, religion, sexual orientation, age, national origin, ethnicity, disability, veteran, marital status, or any other protected status defined by law. Accordingly, this policy also applies to other forms of discriminatory harassment, and employees should utilize these procedures to report complaints regarding other forms of discriminatory harassment.

State and Federal Agencies

STAFF ETHICS/CONFLICT OF INTEREST

The Board directs that no employee engage in, or have a financial interest in, any activity that raises a reasonable question of conflict with their duties and responsibilities as employees of the District. This means that:

1. Employees will not participate for financial remuneration in outside activities wherein their position is used to sell goods or services to District students or their parents.
2. Employees will not engage in any type of work when the source of information concerning customer, client or employee originates from information obtained through the District.
3. Employees will not engage in any type of work outside of his/her District employment which would interfere with District employment.
4. Employees will not be assigned in any position where the employee would be responsible to a relative.
5. Employees who are close relatives will not be assigned to the same administrative unit except by special permission of the Superintendent.
6. The District will follow the laws of the State of Arkansas regarding the employment of qualified relatives of members of the District's Board of Directors (A.C.A. 6-24-105).

STAFF CONDUCT

The Board believes that all employees share basic responsibilities for ongoing successful school operations. The Board requires of its employees that they:

1. Make themselves familiar with, and abide by, the laws of the state and the policies and regulations of the District as these affect their work.
2. Carry out assigned responsibilities with conscientious concern.
3. Exercise faithfulness and promptness in attendance at work.
4. Support and enforce policies of the Board and regulations of the school administration in regard to students.
5. Remain mindful that as employees in an educational setting, they are models that affect the development of young people.
6. Maintain in good standing any license required for their job assignment. These include, but are not limited to: Arkansas teaching certification; CDL license; plumbing, welding, and electrician license; ServSafe certification.
 - a. Lapse or revocation of a required license will result in disciplinary action up to and including job reassignment or termination.
7. Refrain from using cell phones or other electronic communication devices during instructional time. Staff members are allowed to carry cell phones, though they may only be used during non-instructional time.
 - a. All employees are forbidden from using cell phones while driving any District vehicle.
 - b. Violation may result in disciplinary action up to and including termination.

POSSESSION OF FIREARMS ON SCHOOL PROPERTY

The District will follow Arkansas state law regarding the possession of firearms on school property.

1. No person shall possess a firearm:
 - a. Upon any District property;
 - b. In or upon any school bus; or
 - c. At a designated bus stop as identified on the route list published by the District each year.
2. A violation of this policy is a Class D felony.
3. No sentence imposed for a violation of this policy shall be suspended or probated or treated as a first offense under Arkansas § 16-93-301 et seq.

STAFF DRESS CODE

The image Pulaski County Special School District projects to our students, parents, and the public is reflected in the professionalism of its employees. Appropriate attire is an important part of our image as educators and role-models. In order to maintain this standard of professionalism, PCSSD has adopted a dress code for its staff.

The dress and grooming of District employees shall be clean, neat, appropriate for their assignments, and consistent with any additional standards established by school administrators and approved by the Superintendent.

STAFF CONDUCT WITH STUDENTS

A positive and professional interaction between students and faculty is extremely beneficial to the existence of a quality educational environment. It is therefore very desirable that relationships between students and faculty that foster such interaction should be encouraged. On the other hand, romantic and sexual relationships between employees and students are unhealthy, unsafe, and destructive to the people involved, as well as being the very antithesis of a quality educational environment. Therefore, any employee who engages in a sexual relationship or in a personal romantic relationship with a student will be subject to first offense discharge without further warning.

Sexual contact is a sufficiently clear term in that it requires no additional definition or amplification. The addition of romantic relationship to this prohibition is intended to make clear that it is not necessary to prove sexual contact between student and employee to have a violation of this policy. A romantic relationship, which is also prohibited, would be characterized by social contacts in the nature of dating and oral or written communications discussing strong affection or love for one another. Finally, a communication between an employee and student, whether oral, written, or electronic, that is sexually explicit or sexually suggestive is strongly indicative of improper conduct and the existence of a prohibited relationship.

It is the duty of every employee of the District to report to a building principal, equivalent immediate supervisor, or the Superintendent any conduct believed constitutes a violation of the fraternization policy. Failure to do so can itself be grounds for serious discipline up to and including termination.

STAFF GIFTS AND SOLICITATIONS

Gifts

The Board is aware that the custom of gift-giving is common to society as an expression of affection, gratitude and appreciation. The Board is also aware that the act of giving a gift may imply meanings not intended by either the donor or the recipient when either party has the authority or influence to affect the position of the other.

The Board believes that school personnel have an opportunity to teach and demonstrate by example that there are effective alternatives to expressions of personal feelings toward other persons. Those expressions in the schools may take the form of acts of appropriate conduct, efforts to achieve, cooperative work attitudes, pleasant dispositions and written expressions all of which are available without monetary costs.

The Board also believes that school employees should work in an environment that is as free as is possible from solicitations both from within the schools and from outside agencies.

District employees are prohibited from accepting items of material value from individuals or firms doing business with the District. Exception to this regulation is employee acceptance of minor items which are distributed by businesses through their public relations programs.

The Board, therefore, directs the Superintendent to develop regulations that will reduce to the lowest level possible the practices of giving and solicitations in the schools

Solicitation of Funds

Solicitation of funds among staff members for gifts for other employees will be permitted in special circumstances which could include but are not limited to bereavement or hospitalization of the employee, for mementos at retirement or transfer to another work location, or to acknowledge special occasions. Participation is at the sole discretion of the employee.

No organization may solicit from staff members within the schools or service units, nor may anyone distribute flyers or other materials related to fund drives through the schools without the approval of the Superintendent.

Staff members will not be made responsible, nor will they assume responsibility for, the collection of any money or distribution of any fund drive literature within the schools unless the activity has the Superintendent's approval.

DRUG FREE WORKPLACE POLICY

The District has a compelling interest in the safety of its students, as well as in their educational, social, and behavioral development. The District also has a compelling interest in providing its employees with a safe, healthy, and professional environment in which to work. To promote these and other legitimate interests, the District adopts this drug free workplace policy. It is, therefore, the District's policy that District employees are prohibited from engaging in any conduct at any place or any time that violates a state or federal criminal statute related to controlled substances, including the unlawful manufacture, distribution, dispensation, possession, or use thereof. Such actions are prohibited both while at work, and in the performance of work-related tasks while off District property. Violation of this policy will subject the employee to discipline, up to and including termination.

The District will establish a drug-free awareness program to inform employees about: the dangers of drug abuse in the workplace; the District's policy of maintaining a drug-free workplace; any available drug counseling, rehabilitation, and employee assistance abuse programs; and the penalties that may be imposed upon employees for drug abuse violations.

It is a violation of this policy for an employee to be under the influence of alcohol or a controlled substance while present at work, or performing work-related tasks while off District property. It shall not be necessary for an employee to be intoxicated to violate this policy. It is enough to constitute a violation that an employee physically manifests being under the influence of alcohol or a controlled substance. Those physical manifestations include, but are not limited to: unsteadiness; slurred speech; dilated or constricted pupils; incoherent or irrational speech; and the presence of an odor associated with a prohibited substance on one's breath or clothing. The fact that an employee may be unintentionally under the influence, *e.g.*, unexpected reaction to prescription medication, does not negate the violation of this policy, but is a factor to be considered in determining what punishment, if any, would result from the violation.

When the administration is confronted by an employee it suspects might be under the influence of alcohol or a controlled substance, it may request that the employee immediately submit to a chemical test of the employee's blood, breath, or urine to determine the presence of alcohol or a controlled substance therein. The test will be at the expense of the District. It will be conducted in the same manner as the tests in the student drug testing policy. Refusal of a test request by the employee will be considered by the administration as evidence of being under the influence.

Any employee who is charged with a violation of any state or federal criminal statute law relating to controlled substances must notify his supervisor of the charge within five (5) week days, excluding holidays, of having been charged. The supervisor who is notified of such a charge shall notify the Superintendent immediately. If the supervisor is not available to the employee for any reason, the employee shall notify the Superintendent within the five (5) day period.

Any employee convicted of any state or federal criminal drug statute violation shall report the conviction within five (5) calendar days to the Superintendent. Within ten (10) days of receiving such notification, whether from the employee or any other source, the administration shall notify the federal granting agencies from which it receives funds of the conviction. Compliance with these requirements and prohibitions is mandatory and is a condition of employment.

Being convicted of violation of a state or federal criminal controlled substances statute is a disciplinary offense of the first magnitude which will normally result in first offense discharge without warning or progressive discipline.

Employees are reminded that reporting for work while impaired from prescription medications is a violation of this policy. The burden is on the employee to learn the possible effects of any prescribed medication and refrain from reporting to work in the same manner as the employee would for any other condition that makes the employee physically unable to perform his or her job.

Employees are also cautioned against bringing prescription medications to work even for legitimate self-medicating. This policy does not absolutely prohibit it because there are circumstances under which it is necessary and reasonable to have one's prescription medication at work. However, the burden is strictly on the employee to manage the situation in a manner that does not result in a violation of this policy, including being responsible for the medication not coming into the possession of another person. Remember that the fact that a prescription is required to obtain the medication means that it is a controlled substance. If there is any way to do it, the employee should manage without introducing the medication into the workplace.

The Superintendent is directed to develop and implement a mandatory employee drug and alcohol testing program for security guards, bus drivers, any employee required to transport students by school bus, all employees required to maintain a commercial drivers license which will include, but not limited to, compliance with and enforcement of all state and federal laws,

rules and regulations, and all employees who drive a vehicle owned or leased by the District or who receive compensation from the District for driving a vehicle.

TOBACCO-FREE WORKPLACE

Smoking is prohibited in all District buildings, property, and District-owned vehicles. Furthermore, smoking is not permitted outside facilities where the smoking may be observed by students.

For purposes of this policy, “smoking” will mean all uses of tobacco, including cigars, cigarettes, pipes and tobacco products.

STAFF HEALTH AND SAFETY

The Board, through its safety program and various policies pertaining to employees, will seek to assure the safety of employees during working hours and assist them in the maintenance of good health.

Employees in the District who have tested negative on annual tuberculosis testing in previous years will not be required to have an annual skin test. Employees new to the District and those employees who have previously tested positive are required to comply with law or regulation in regard to the tuberculosis testing and any other testing required for school employment.

District employees working in high risk positions will be required to become familiar with the safety guidelines and protective actions relative to their employment.

Whenever an employee's health appears to be a hazard to him, to other employees or students, or to interfere with his job performance, he may be required to undergo a medical examination.

POLITICAL ACTIVITIES AND ELECTION TO OFFICE

Employees of the District are encouraged to exercise their rights as citizens and run for election to or accept appointment to public office. This freedom is subject, however, to the following policies.

Employees elected or appointed to offices requiring some full-time service, such as the Arkansas General Assembly, may utilize the existing leave of absence policy and receive an unpaid leave for the actual period of full-time public service. Note that the Attorney General's opinion of Arkansas law is that the District is prohibited from granting employees time off with pay for the purpose of engaging in public service or related activities.

Employees may use their personal days, and if applicable, vacation days, for less than full-time public service and related activities under existing policies for utilization of such time off. Note that under existing District policies and Arkansas law, time off for public service is not reimbursable by using employee sick leave. Claiming employee sick leave time for reasons other than permitted by these policies and Arkansas law is fraudulent and could subject an employee to discipline up to and including discharge.

Under Arkansas law, a school board member cannot be employed by the school district on whose board of education the board member serves.

SOLICITATION AND PETITIONS

There shall be no systematic solicitation of any employee or any student, including circulation of petitions, by any other employee without first obtaining the express written permission of the building principal. As a general rule, no form of solicitation not directly related to the educational process will be approved to be engaged in by any employee during times and in places where educational interaction between employees and students is taking place.

Only solicitation of students to participate in or support academic or extracurricular activities will normally be considered directly related to the educational process. Likewise, solicitations of students by employees or other students will generally be approved, if at all, only after close scrutiny to ensure that the activity does not interfere with the educational process.

Any solicitation of employees by other employees that is approved will generally be limited to non-working times and non-working areas of the buildings. It is the intent of this policy that it apply to all solicitation and that solicitation be broadly defined to include all requests by one person for action or inaction from another person.

PERSONNEL RECORDS

It is the intent of the Board that the District maintains one official personnel file for each employee in the Human Resources Department.

Information obtained prior to employment, including confidential placement papers, information prepared by an identifiable employment interview committee, and information obtained in connection with an interview for promotional purposes, will not be maintained in an individual personnel file and will not be available to the employee for inspection.

Material of a derogatory nature will not be placed in the personnel file unless the employee has received a copy and has had an opportunity to review the material. The employee will have the right to submit a written answer to such material and attach it to the file copy.

Individual personnel files will be confidential and not open to public inspection unless required to be open pursuant to the terms of the Arkansas Freedom of Information Act or Federal Privacy Act.

Access to an employee's personnel file during normal circumstances will be limited to the Superintendent or designee(s) or other school administrators who have a proper purpose.

An employee or his designee will have access to the official personnel file during regular working hours and such authorization of a designee will be in writing.

An employee may duplicate any material contained in the file without charge.

A log will be maintained showing the names of persons who examine the contents of the file and the dates on which the file was examined.

If an employee's personnel file or any of its contents are subpoenaed in accordance with a legal proceeding or examined as part of a law enforcement inquiry or a governmental agency investigation, the employee will be notified in writing.

CLASSIFIED STAFF ASSIGNMENTS AND TRANSFERS

Each employee of the Board will be assigned to a position at the direction of the Superintendent and may be transferred to any other position as the Superintendent may direct.

Transfers made at the initiative of the Superintendent will be for efficient staffing of the schools and service units and to most effectively utilize the skills of the employee. An administrative transfer or reassignment will be made only after a conference with the employee involved, his immediate supervisor, and the Executive Director or his/her designee, at which time the employee will be notified of the reason for the transfer or reassignment.

In the determination of requests for transfer or reassignment, the convenience and wishes of the individual employee will be honored to the extent that they do not conflict with the Superintendent's judgment concerning effective operations of the District.

Within an individual school or service unit, a principal or other classified staff supervisor may assign classified staff members to tasks appropriate to their positions and qualifications.

DISCIPLINARY ACTION POLICY

Orderly, responsible, and professional behavior by district employees is essential to maintain a quality educational environment. Such behavior is necessary both to enable the district to be managed efficiently and economically as custodian of taxpayer assets, and to establish and maintain good role models and examples for the students.

Therefore, the right of the district, acting through the superintendent and the building principals or equivalent immediate supervisors, to establish from time to time, and to enforce, rules and regulations regarding working practices, job performances, and personal conduct of employees is recognized, provided that such rules and regulations must be reasonable and consistent with these personnel policies.

Such rules will be in writing and posted internally with copies furnished to the Classified Personnel Policies Committee. Such rules are effective when published but are subject to the grievance procedure if their reasonableness is questioned.

Apart from specific rules, the obligation of each employee to conduct himself/herself in relation to his/her employment in a manner which respects the persons, property, and dignity of others is recognized.

It is also recognized that employee conduct away from and outside the workplace can have impact in the work and educational environment. When that impact is adverse, such conduct can be cause for discipline. Examples of such conduct would include, but not be limited to, violations of criminal laws, and violations of the policies governing sexual harassment, other discrimination, and fraternization with students.

No employee shall be disciplined without just cause. If an employee engages in conduct which is cause for discipline, the discipline may be by oral reprimand evidenced by written notation in the employee's personnel file, written reprimand and warning letter in the employee's personnel file, disciplinary layoff without pay for a specific number of days (which shall be accompanied by a written warning), or discharge. The severity of the discipline will be determined by the office imposing the discipline, taking into consideration the circumstances of the case and the severity of the offense. It is expressly recognized that repeated minor misconduct will, after warning, become cause for more serious discipline, up to and including discharge.

Procedures pertaining to recommendation of discharge for cause during the term of a contract, and suspension by the superintendent related to such recommendations are governed by statute in Arkansas and are not subject to this grievance procedure. However, all other applications of discipline are subject to the grievance procedure.

COMPENSATION AND CONTRACTS

The Board will seek to attract and keep concerned and capable employees to carry out support services assignments. Initial compensation and compensation plans for classified staff will take into consideration the responsibilities of the position, qualifications needed, past experience of the individual and years of service to the District, and will be in accordance with established regulations and prevailing statute.

The Board will review all classified staff compensation plans annually, and, once adopted by the Board, the plans will be considered as current policy.

Upon recommendation of the Superintendent, the Board will award individual contracts to classified staff.

TRAVEL REIMBURSEMENT

The Board of Education recognizes the importance and desirability for school personnel to make out-of-district trips on school business. Trips may include, but not be limited to, attendance at meetings, such as state and national conferences/workshops, and observational visits to other schools. It is encouraged that conferences and meetings be tied to the building's Comprehensive School Improvement Plan.

School vehicles should be obtained from the Director of Transportation for approved travel. If a school vehicle is not available or an employee provides personal transportation, mileage will be reimbursed at the minimum rate of thirty-five cents (\$.35) per mile or the current rate as listed in the Business Procedures Manual. Mileage may be verified using the www.mapquest.com Staff members traveling to the same meeting are directed to car pool when practical.

Meals will be reimbursed for travel requiring overnight lodging. No more than forty-two dollars (\$42.00) per day (breakfast \$8.00; lunch \$14.00; and dinner \$20.00) will be reimbursed. Gratuity is not a reimbursable expense. There will be **no** meal reimbursement for one-day trips.

The District will pay for overnight lodging for the employee only. This amount will be whatever is the conference rate and/or approved rate by the supervisor of the employee at the hotel that is closest to the traveler's work assignment and/or meeting. Overnight trips are discouraged unless necessary. Therefore, employees are directed to travel the day of the event if the event is within two hours normal driving time and the event begins at 8:00 a.m. or later. Double occupancy is expected when more than one employee attends the same event and gender permits room sharing. Hotel receipts are required and should be turned in to the central office **immediately** upon return to the District.

Among the charges that the District will not reimburse are:

- * Valet parking
- * Personal phone calls
- * Rental of videos or in-room movies
- * Alcoholic beverages
- * Gasoline receipts, if receiving mileage reimbursement

Out-of-District Travel Guidelines/Procedures:

1. All travel must be pre-approved (even if there is no cost to the District).
2. The Request for Leave form will be used to pre-approve and authorize travel as well as approve reimbursement of estimated expenses.
3. Travel is requested on the Request for Leave form and should be given to the employee's supervisor for approval at least two weeks prior to the travel date.
4. The traveler is to complete an Expense Voucher form for each separate check to be issued.
5. The traveler is to complete any paperwork (registration form, etc.) in its entirety and attach to the corresponding expense voucher.
6. Supervisors are responsible for ensuring that expenditures are within District guidelines

In-District Travel Guidelines/Procedures:

Staff members who are required to travel from building to building during the regular work-day will be reimbursed at the minimum rate of thirty-five cents (\$.35) per mile or the current rate as listed in the Business Procedures Manual. The reimbursement will only be for required daily travel from one building to another. Mileage will only be paid for one way between buildings, unless the employee is required to travel back to his/her beginning location during regular work hours.

It will be the employee's responsibility to get from home to work and from work back home. The employee will be responsible for submitting an in-district travel form at the end of each quarter for reimbursement. Travel time between schools will not be required during a teacher's lunch period or a teacher's preparation period.

EVALUATION

The work and disciplinary performance of all employees should be continuously evaluated by the department heads or the immediate supervisors so that at any time an employee wants to ask he or she will be able to get an accurate answer to the question, "How am I doing in my job?"

However, there is no hard and fast requirement of periodic written performance evaluations for classified employees performing, attending, and otherwise behaving in a satisfactory manner. On the other hand, when the performance, attendance, or other behavior of an employee is not satisfactory, the employee should be informed at the earliest practical time.

If informal notice does not accomplish improved performance, attendance, or other behavior, written notice of the deficiency will be used, which notice must identify the problem and state the consequences of continued poor performance, attendance, or other behavior. Written performance improvement plans are not necessary in dealing with most common deficiencies in classified personnel. However, their use is encouraged when dealing with issues of skill, speed, and attentiveness in performance of one's job.

SICK LEAVE BANK

At the beginning of each school year, any employee, whether licensed or classified, may voluntarily contribute one day of his/her sick leave allowance to a Sick Leave Bank (SLB). Any employee who is on contract before Labor Day and wishes to make a contribution to the SLB shall do so on a SLB form submitted to the payroll clerk by the end of business on September 15th or the Monday after if the 15th falls on a weekend. The payroll clerk will provide a list of SLB members to the PPC Chairperson by September 30th or the Monday after if the 30th falls on a weekend

For any licensed or classified personnel hired after Labor Day, he/she may voluntarily contribute one day of his/her sick leave allowance to the SLB. Each employee wishing to make such a contribution shall do so on a SLB form submitted to the payroll clerk by the end of business twenty (20) school days from their hire date. Names of new employees joining SLB should be forwarded to the PPC president within 10 business days of submission.

A six-member committee shall oversee the administration of the SLB with the assistance of the Superintendent. The committee shall be comprised of two classified members, three licensed members who are members in good standing of the SLB and the Certified Personnel Policy Committee Chairperson. The Certified Personnel Policy Chairperson will only vote to complete a quorum or in case of a tie. Their term of office shall be one (1) year. The SLB committee shall decide on requests based on the committee's rules of operation.

The Sick Leave Bank Committee shall administer the bank according to the following rules:

Rules of Operation

Only employees who have made an up-to-date contribution to the sick leave bank are eligible to make withdrawals from the bank.

The Sick Leave Bank days may be used only upon exhaustion of a bank member's accumulated sick leave, vacation days, and personal leave days whichever is/are applicable with the option of using their spouse's sick leave days.

SLB days will be granted only in cases of an emergency caused by a catastrophic illness or catastrophic accident licensed by a medical doctor pertaining to a SLB member and their immediate family. Immediate family is defined as spouse, children, and/or parent of the SLB member. In-laws are not included in this definition unless they live in the SLB member's home.

Requests for Sick Leave Bank days can be made by submitting a completed Sick Leave Bank Questionnaire and Physician's Statement and Authorization to Disclose Health Information to the chairperson or any member of the SLB Committee by the 1st working day of the month. Upon receipt the SLB committee member shall mark the date received on the forms. If this deadline is missed the request will be considered the following month.

Once the SLB committee chairperson has received the request for SLB days, he/she shall present the request at the next SLB committee meeting for the committee's decision(s) to be processed with the next payroll. The SLB will meet on the first Thursday of every month at 2:30 at the Central Office to consider SLB requests. This allows requests to be processed for the 15th pay day of each month. During this meeting, the members of the committee shall decide if more information is necessary or if any SLB days shall be granted.

The committee discussions, member medical information, and member names involved in committee decisions in part or in whole shall be considered confidential information. As such, ONLY the requesting member shall make any of the prior public.

Communication concerning the member's medical information and any related details shall be for the sole purpose of determining the SLB committee decision.

Once the SLB committee has made its decision concerning a member's request, the decision shall be communicated to the member by the SLB committee chairperson with a copy of said decision sent to the appropriate Personnel Policy Committee Chairperson within ten (10) school days.

SLB days will be granted monthly and only for the days already missed due to the catastrophic event stated on a member's request form. The member shall be required to provide a doctor's written verification stating when he/she is physically able to return to work.

Sick leave grants made from the bank may be for up to thirty (30) days per member per application not to exceed sixty (60) days per year if the days are available.

Personnel who have contributed to the Sick Leave Bank will not be asked to contribute to the bank again as long as the bank is considered to be solvent. The bank will be considered to be insolvent when the number of SLB days drops below one hundred fifty (150). When the SLB Committee determines more days are needed for the bank to remain solvent, the request for SLB days shall be broadcast in each building. Failure to contribute at this time will result in termination as a bank member unless you are currently in the process of requesting days at the time the SLB becomes insolvent.

Days remaining in the SLB shall be carried over from year to year.

If SLB days are denied, the member may appeal to the SLB committee. The requesting member shall appear at the appeal hearing. At that time the SLB committee may require additional information. A majority opinion will prevail at the appeal.

The Licensed Personnel Policy Committee shall develop such additional rules, revisions, restrictions, and procedures as necessary to efficiently and fairly administer the program and prevent abuse. The Classified Personnel Policy Committee shall be consulted on any changes to this policy.

Employees leaving the District to enter another field besides education may donate their accumulated sick days to the SLB.

Retiring employees may donate sick days to the SLB rather than be paid for them under the policies on Licensed Personnel: Payment for Unused Sick Leave and Classified Personnel: Payment for Unused Sick Leave.

INCLEMENT WEATHER

From time to time, we experience weather events that result in school being canceled. Days missed will be made up for students and employees who have contracts that coincide with instructional contact days. However, many twelve month employees are requesting clarification of what is expected in the event school is canceled. In answer to those requests, the PCSSD Board adopts the following policy.

1. There is a difference between classes being canceled and the school district being closed.
2. When classes are canceled all students and employees with contracts coinciding with instructional days are excused from reporting for school/work. The days will be made up.
3. Cancellation of classes does not, however, excuse twelve month employees from reporting to work as scheduled.
4. The only time twelve month employees are excused from reporting on scheduled work days is when conditions require that the school district is closed.
5. Inability of a twelve month employee to report for work on a classes-canceled/school district open day will be treated the same as any other absence from work with regard to notice of absence, use of available leave time, and other issues related to missing work on a scheduled work day.
6. The superintendent has the sole discretion to decide whether to cancel classes and whether to close the school district. Announcements regarding cancellation of classes and closing the school district will be made on local radio/television stations and by using the Alert Now contact numbers. The announcement will make clear whether the decision is simply to cancel classes, or also to close the school district, or both. The superintendent shall use his best efforts to make and announce this decision prior to 6:00 a.m.

SEPARATION OF EMPLOYEES

Termination and nonrenewal of licensed and classified employees are governed by statutes in Arkansas. See, A.C.A. §§6-17-1501, et seq., for licensed employees, and §§6-17-1701, et seq., for classified employees. In the past, an effort has been made to reproduce these statutes in these policies. This has caused confusion because changes in the laws leave the district with written policies that are inconsistent with state statutes.

Therefore, the district is repealing its older policies and adopting this policy of simply complying with the aforesaid statutes in its dealings with its licensed and classified employees. It is not the intention of the district in repealing the prior policies to diminish the substantive or procedural rights of licensed and classified employees. Any employee with questions about the content of any pertinent statute may inquire at the superintendent's office where every reasonable effort will be made to respond quickly and accurately.

REDUCTION IN FORCE POLICY

Basic Considerations

1. The number and position titles of support staff personnel will be determined through an allocation system based on defined needs as recommended by the Superintendent and approved by the Board.
2. When it becomes necessary to reduce the size of the support staff work force, only those positions that are actually filled will be considered in the reduction. The Superintendent will recommend to the Board the divisional categories and number of positions to be reduced.
3. Assurance of an experienced support staff work force will be accomplished through use of a seniority system outlined in the procedures below.

Procedures

1. Prior to commencing action for reduction of classified staff personnel, the greatest possible reduction will be accomplished through attrition.
2. Remaining reduction in the number of positions will be accomplished through layoff.
3. Identification of affected classified staff members in a specific divisional category will be as follows:
 - a. The Division of Human Resources will establish a divisional position title code listing by District seniority.
 - b. Employees with the least District seniority in a position title code within a divisional category to be reduced will be identified by the District as affected by the reduction process.
 - c. An affected employee's District seniority will be applied by the District, first to all other position title codes with the same or a lesser pay grade level within the division for which he is qualified.
 - d. A further affected employee having five (5) or more years seniority in the District will

have his/her seniority applied by the District to all District position title codes having the same or lesser pay grade level and for which he/she is qualified.

4. Layoff will be applied to all employees not retained by the procedure in item three (3).
5. All personnel to be laid off will be notified in writing as soon as possible after procedures one through four (1-4) have been accomplished. Layoff notices will be sent to the building principal or immediate supervisor for delivery to the employee who has been laid off.
6. When notifying employees to be reassigned by seniority, the employees will be given all information on positions available including location and hours to be worked. Employees will be given 24 hours from the time of notification in which to notify the Human Resources Division of their decision. If, after 24 hours, the employee has not notified the Human Resources division of a decision, Human Resources will make the assignment.
7. In the event there is a tie in the length of service (seniority) within the divisional category to be reduced, the tie will be broken by applying the factors of performance, ability, and skill as determined by the employee's evaluations and work history.
8. Performance, ability and skill will outweigh seniority only when the written justification of the employee's supervisor is accepted and approved by the Superintendent.

Recall Procedure

1. Employees who have been laid-off will be placed on a recall list according to position title code and district seniority within that code, and remain on the list for a period of two (2) years.
 - a. When an employee is recalled to a position, they must accept the position within 24 hours of receiving notification or he/she will forfeit his/her recall rights.
2. It is the responsibility of each individual on layoff status to keep the Human Resources Division informed of his current address and telephone number.

PERSONNEL OUTSIDE EMPLOYMENT

No employee of the district shall become an employee, agent, or independent contractor for anyone if that relationship would violate the ethical standards established by A.C.A. §6-24-106, 107, or 111.

PERSONNEL RESPONSIBILITIES GOVERNING BULLYING

Definition: Bullying is any pattern of behavior by a student, or a group of students, that is intended to harass, intimidate, ridicule, humiliate, or instill fear in another child or group of children. Bullying behavior can be a threat of, or actual, physical harm or it can be verbal abuse of the child. Bullying is a series of recurring actions committed over a period of time directed toward one student, or successive, separate actions directed against multiple students.

Teachers and other school employees who have witnessed or are reliably informed that a student has been a victim of bullying as defined in this policy, including a single action which if allowed to continue would constitute bullying, shall report the incident(s) to the principal. The principal or his/her designee shall be responsible for investigating the incident(s) to determine if disciplinary action is warranted. Also, district staff are required to help enforce implementation of the district's anti-bullying policy. However, any school or district employee who has reported violations under the school district's policy shall be immune from any tort liability which may arise from the failure to remedy the reported incident.

Students who bully another person are to be held accountable for their actions whether it occurs on school grounds; off school grounds at a school sponsored or approved function, activity, or event; or going to or from school or a school activity. Students are encouraged to report behavior they consider to be bullying, including a single action which if allowed to continue would constitute bullying, to their teacher or the building principal. The report may be made anonymously.

CELL PHONES AND CELL PHONE USE

The District may furnish cell phones to personnel. The decision to furnish a cell phone, and the decision of which persons to be furnished cell phones, are decisions within the sole discretion of the administration. All cell phones must be provided for in the department's budget and a requisition issued at the beginning of the year. Additions or changes during the year may be accomplished by submitting a requisition and the budget string must be approved prior to making the requested changes.

Procedure

1. Charges and fees associated with cell phone service shall not be charged against school activity funds.
2. Calls on cell phones are to be concise and business-related.
3. Long distance calls by staff are prohibited unless they are engaged in a business activity which is outside the calling area and/or experience a personal emergency.
4. Employees are discouraged from making personal calls on PCSSD-owned cell phones. If circumstances warrant an exception, the employee is responsible for reimbursement to the District at month's end.
5. District-owned phones or reimbursement for use of staff-owned phones will only be allowed during the employee's regular contract year.
6. The Purchasing Department will be responsible for the initial acquisition of and service agreements for District-owned cell phones. They will also maintain a master list of these phones.
7. Because cell phone transmissions are not always private, discussion of certain information is restricted and strictly forbidden. Information which requires confidentiality (e.g. a specific student's IEP) shall not be discussed over the airways.

8. Loss, theft, or damage to cell phones shall be governed by the following:
 - a. PCSSD assumes no responsibility for lost, stolen, or damaged staff-owned cell phones.
 - b. District-owned cell phones will be covered under the PCSSD property insurance to the extent that a loss exceeds the established deductible for similar business personal property.
 - c. Each employee ensures the security of the cellular phone while in their possession. In case of loss, theft, or damage due to negligence, the employee is responsible for the replacement, insurance reimbursement, or repair cost. Repair costs are exclusive of any manufacturer's warranty for defect in material or workmanship. If repair or replacement costs are not reimbursed by the employee, the cost may be deducted from the employee's paycheck.
 - d. The employee must immediately report any theft, loss, or damage to the program manager who initiates and submits an incident report to the Chief Financial Officer. If theft is suspected, the program manager also ensures that a police report is filed and the service carrier notified of the loss and service is disconnected. Cell phones that are lost or stolen may not be replaced without first forwarding the foregoing report to the business office for proper disposition.

9. The supervisor of each department will, for their division, monitor and approve detailed cell phone bills.
 - a. Each employee will review their cell phone bill each month and denote any personal and/or non-official calls. Reimbursement should be sent to the business office within 30 days.
 - b. All long distance, roaming, and personal calls, as well as calls exceeding the allowable plan minutes will be paid by the employee. Personal calls not accounted for within 30 days may be deducted from the employee's next scheduled payroll disbursement.

10. Staff suspected of abusing cell phone privileges or acting irresponsibly with regard to cell phone use, such as not reimbursing calls, are subject to the following:
 - a. Suspension of cell phone use
 - b. Disciplinary action in accordance with established PCSSD Board of Directors policy. This normally entails progressive discipline.

Use of New Web Tools

Online communication is critical to our students’ learning of the 21st Century Skills. Tools such as blogging and podcasting offer authentic, real-world vehicles for student expression. Again, as educators, our primary responsibility to students is their safety. Hence, expectations for classroom blogs, student protected e-mails, podcasts, or other Web interactive use must follow all established Internet safety guidelines.

Blogging/Podcasting Terms and Conditions:

- The use of blogs, podcasts or other Web 2.0 tools is considered an extension of your classroom. Therefore, any speech that is considered inappropriate in the classroom is also in appropriate in all uses of blogs, podcasts, or other Web 20 tools. This includes, but is not limited to, profanity and racist, sexist or discriminatory remarks.
- Teachers must monitor all communication on blogs, podcasts, or other Web 2.0 tools that are used in the classroom.
- All users using blogs, podcasts or other web tools are expected to act safely by keeping ALL personal information out of their posts.
- A user should NEVER post personal information on the web (including, but not limited to, last names, personal details including addresses or phone numbers, or photographs). Do not, under any circumstances, agree to meet someone you have met over the internet.

- Users who do not abide by these terms and conditions may lose their opportunity to take part in the project and/or be subject to consequences appropriate to misuse.

Policy Statements

The use of the PCSSD's computer system is a privilege, not a right, and the Acceptable Use Policy is designed to establish clear guidelines for adult stakeholders who have access to the Public School computer system. Be polite and use proper Network etiquette (the acceptable behavior the Internet community expects its citizens to follow).

Acceptable Use Purpose

Internet Access

All Internet usage is monitored, and users should expect that their use may be reviewed at any time by the principal or Superintendent.

Confidential Information

Look at IT security for clarification

Responsibility

Users are responsible for their individual accounts and should take all reasonable precautions to prevent others from being able to use their account. Under no conditions should users provide their passwords to anyone else.

Copyright

All users must adhere to the copyright laws of the United States (P.L. 94-553) and the Congressional Guidelines that delineate it regarding software, authorship, and copying information.

Benefits of Education

We are in the 21st Century; our students must learn to utilize the tools and skills necessary to compete in a global economy. Students of today must think critically about global issues, work collaboratively on projects, and understand the significance of intellectual property, fair-use laws, and copyright regulations as they research the world in which they live. The PCSSD computer system, coupled with Internet access, empowers our students to construct authentic meaning from classroom lessons.

Enforcing Acceptable Use Policies

Privacy Policies

Users should not expect privacy in the contents of their personal files on the District or school's network; they must realize that any information stored electronically on school owned equipment is subject to Arkansas' Freedom of Information Act. The situation is similar to the rights staff and students have in regard to their lockers, desks, or other storage systems. The District reserves the right to monitor, inspect, copy, review and store at any time and without prior notice, any and all usage of the computer network and/or internet usage. Parents of students have the right at any time to request a review of the contents of their children's electronic files or a conference with the teacher regarding electronic projects and/or research.

Liability Disclaimer

The PCSSD makes no guarantees that the functions of the services provided by or through the network will be error-free or without defect. The District will not be responsible for any damage the user may suffer, including but not limited to, loss of data or interruptions of service. The District is not responsible for the accuracy or quality of the information obtained through or stored on the network. The District will not be responsible for financial obligations arising through the unauthorized use of the network. When using the network, one may sense they can more easily break a rule and not be caught. This perception is not accurate. Whenever users access the network or use technology equipment, they leave "electronic footprints." Thus, the odds of getting caught in violations are really about the same as in the real world or in any other actions or situations.

Principal Responsibilities

- Include Acceptable Use Policy in student handbook.
- Be sure handbooks are distributed to all students.
- Treat student infractions of the Acceptable Use Policy according to the school discipline policy.
- Keep permission forms on file for one school year.
- Identify students who do not have permission to use the Internet to the teaching staff.
- Insure that teachers are educating students about appropriate online behavior.

District Responsibilities

- Ensure that filtering software is in use to block access to materials that are inappropriate, offensive, obscene, or contain pornography.
- Update the filtering software regularly.
- Have Acceptable Use Policy approved by the board and published on the District website.

GRIEVANCE PROCEDURE

Grievance Defined. A grievance is defined as a concern expressed by an employee that there has been a violation by the administration of [A] an express provision of these personnel policies; [B] a federal or state law or regulation; or [C] some other express term or condition of the employee/grievant's employment. Terminations of contracts for cause, suspensions because of a belief that cause for termination exists, and non-renewal of contracts are governed by statute with appeal provisions. Therefore, this grievance procedure does not apply to those job actions. However, other disciplinary actions, including disciplinary suspensions without pay, are subject to this grievance procedure. This grievance procedure shall be the exclusive remedy for any employee alleging a violation by the school district that may be the subject of a grievance under this procedure. A group of employees with the same concern about a school district violation may be parties to a single grievance.

Informal Resolution

Grievances or other differences between employees and the administration are frequently the result of mistakes or misunderstandings. Accordingly, while not a mandatory condition of appealing to the superintendent, an employee should always attempt to resolve any grievance (as well as any other difference not within the definition of a grievance) by first bringing it to the attention of the building principal or equivalent immediate supervisor. This may be done in writing, but there is no requirement of writing as there is with the following steps of the grievance procedure.

Level 1 – Immediate Supervisor

Informal and direct resolution of all grievances and other differences is strongly encouraged. If the discussion at the informal level fails to resolve the grievance, or if no resolution occurred within five (5) days of the informal meeting, the grievant may invoke a formal Level I grievance.

1. A copy of the grievance should be mailed or delivered to the immediate supervisor and it will include:
 - a. A statement setting forth the factual basis for the grievance and the section or sections of the policies allegedly violated.
 - b. Whether the employee wants representation, and if so, what type (i.e. personal attorney, AEA)

2. The immediate supervisor will meet with the grievant within five (5) days of the receipt of the grievance.
3. The immediate supervisor will render a written decision within five (5) days of the meeting.

Level 2 - Superintendent

1. If the grievant is not satisfied with the decision of the immediate supervisor, or if no decision has been made within five (5) days of the Level I decision, then the grievant may invoke a Level II grievance to the Superintendent within ten (10) days of the Level I decision.
2. The Superintendent and/or his designee will hold a Level II grievance hearing within seven (7) days of receipt of the transmittal.
 - a. A written decision will be rendered within seven (7) days of the hearing.
 - b. The Superintendent and/or his designee will furnish a copy of the decision to the grievant.

Level 3 - School Board

1. A grievant may elect to have his grievance heard by the Board.
2. The grievant will notify the Superintendent of his desire to have a Board grievance hearing within twenty (20) days after the conclusion of the Level II decision.
3. The Board, no later than its next regular meeting, will hear the grievance provided the request was received prior to the setting of the agenda.
 - a. The grievant may be represented by a legal or paralegal counsel at his own expense.
 - b. A decision by the Board will be rendered at the time of the hearing.
 - c. It will require five (5) Board member votes in order to overturn the Superintendent's decision.
 - d. The decision will be reduced to writing.
 - e. A copy of such decision will be furnished to the grievant.

DISCRIMINATION COMPLAINTS

Any alleged violation of the district's policy prohibiting discrimination on the basis of race, color, religion, sex (including complaints of sexual harassment), or national origin must be brought to the attention of the superintendent of schools by the complainant as soon as possible. If the complaint involves allegations against the superintendent, or allegations that the superintendent has refused to act on a discrimination complaint against another employee, it must be brought to the attention of the president of the Board of Education. This provision applies to any complaint or grievance that an employee suffered adverse job action or a hostile employment environment on account of race, color, religion, sex, or national origin.

Time Limits

Time is of the essence in this grievance procedure and the times for filing a grievance and answering are to be strictly construed. However, the time limit for initially filing a grievance can be extended by the mutual agreement of any building principal or the superintendent, on the one hand, and the employee, on the other hand, which agreement must be in writing. The time limit for appealing the Superintendent's second step answer, or failure to timely answer, to the school board can be extended by the mutual written agreement of the superintendent and the employee.
